

HEALTH and SAFETY POLICY STATEMENT

FMW Recycling recognises its responsibility to ensure, in so far as is reasonably practicable, the safety, health and welfare at work of its employees and members of the public who may be affected by its operations including the Civic Amenity site at the above address.

The Company fully recognises its obligations under the Safety, Health and Welfare at Work Act, 2005 to provide:-

- A safe and smoke free place of work
- Safe access and egress
- Safe plant and machinery
- Safe systems of work
- Appropriate information, instruction, training and supervision
- Suitable protective clothing and equipment where hazards cannot be eliminated
- For the prevention of risk to health from any activity or substance
- And maintain welfare and hygiene facilities as appropriate
- A competent resource in the form of independent experts external to the Company where the requisite expertise is not available in-house, to advise and assist in securing the safety, health and welfare of employees

It is Company policy to comply with legal safety, health and welfare requirements as a minimum standard and with relevant codes of practice and guidelines where appropriate. All policy statements will be reviewed at least once a year and revised as necessary to take account of technological changes in work practices. Any such revisions will be brought to the notice of all employees.

The statement is available to our employees, outside contractors and inspectors of the Health and Safety Authority.
